# Dell Inspiron 15R 5521 Display Assembly Replacement

## Written By: Terrence15

INTRODUCTION

In this guide, we will be showing you how to remove and replace the Display Assembly.
🔧 **TOOLS:**
- Phillips #0 Screwdriver (1)

Step 1 — Peeling the Tape

⚠ WARNING: Before working inside your computer, read the safety information that shipped with your computer and follow the steps in "Before You Begin".

● Peel the tape that secures the display cable to the system board.

Step 2 — Disconnecting the Display Cable

● Disconnect the display cable from the connectors on the system board.
