Get full control over your iOS device. Get iMazing.

[Free Download](#) [Buy Now](#)

Apple Windows iOS 14

The image shows a computer monitor displaying the iMazing software interface. The interface has a dark blue header with the iMazing logo and navigation links: Features, Reviews, Download, Enterprise, Store, Support, and Blog. Below the header, there's a section titled 'iMazing Manage your iPhone. Your way.' with a description and two buttons: 'Free Download' and 'Buy Now'. The main part of the screen shows a list of devices connected to the software, including 'Amy's iPhone' and 'Amy's iPad'. To the right of the device list, there's a 'DEVICE DETAILS' panel for 'Amy's iPhone' showing information like 'iPhone 11 - iOS 14.2', 'Backup at 09:30:10', '23 Backups', 'Backup encrypted', 'Default Backup Location (28...)', and 'Yesterday at 02:40:44'. Below the monitor, an iPhone is shown displaying the time '9:50' and the text 'Managed by iMazing'.

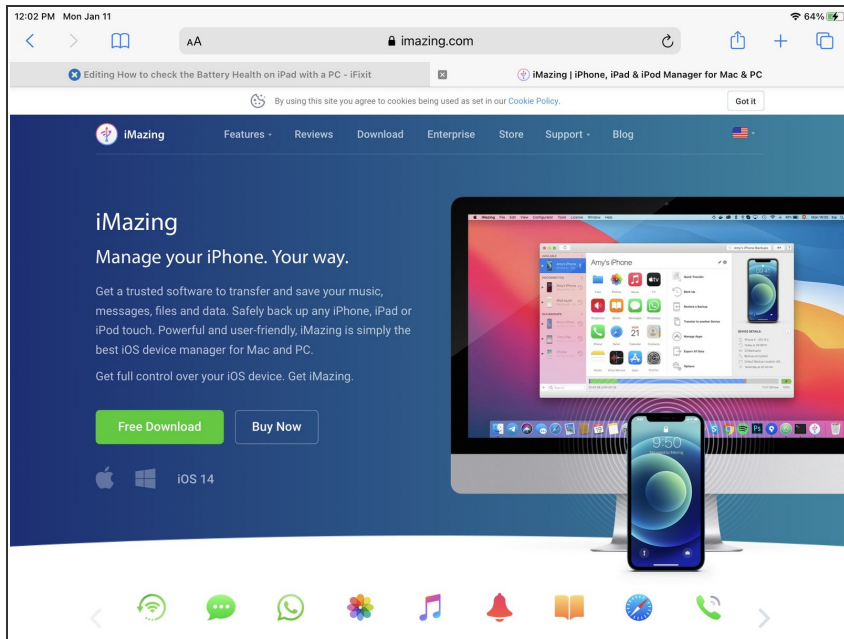

INTRODUCTION

To better assess if you need to replace your battery, or double check the status of the new battery you've installed, this guide will help you to check your iPad's battery health using iMazing.
