

Delphi MyFi XM2GO Battery Replacement

This guide demonstrates how to remove the user-removable Lithium Ion battery in a Delphi MyFi XM2GO.

Written By: Scott Byer

Step 1 — Battery Cover

- Locate the large button on the top of the device.
 - Push down on the button and slide the cover away from the button.
- i** The battery removal tab may pop up.

Step 2 — Battery

- Grab the red pull tab and pull down to unlock the latch.
- Pull the battery out.

To reassemble your device, follow these instructions in reverse order.
